Alumni Report

The concept of alumni association evolved for needs from both the ends, i.e. academicians and professionals, in the aim of building a bridge between college life and career life, so that the fresher graduates are made proactive to face the current challenges of competitive professional world. Both the ends shall work hand in hand to help each other for achieving the goal. The idea took shape and formation of Alumni Association turned into reality.

Many of the enthusiastic ex- students were present for the formation of the Alumni meet.

MISSION:

- To re-unite in the nest from where we grew and flew off.
- To build a bridge between college life and career life, so as introduce present students to the professional world and to make them proactive to face the challenges that may emerge in their career path.
- To provide job opportunities to fresh bachelors through references of professionals.
- To conduct orientation and training programs to students on various topics to enhance their skills.
- To create awareness among students about the scope of their subject in the professional world.
- To provide a platform for students to develop their qualities.
- To participate in social welfare activities for social accountability.

PLAN OF ACTION:

- Conducting periodic meetings of the committee to chalk out plan of action.
- Conducting training sessions on industry practices and professional approach by industry professionals.
- Conducting personality development trainings, interview answering skills and confidence building programs.
- Interacting with unemployed ex- students to find probability of employment with reference of professionals.
- Conducting social welfare activities such as blood donation, health awareness programs, tree plantation, cleanliness drive etc.
- Re-unions of ex- students.
- Felicitation of achievers.

Alumni students of East point group of institutions has digital platform of alumni link as above. “**Sampark**” is the Alumni Association of East Point Group of Institutions. Every year during the month of June “Annual Alumni Day” is celebrated.

Objectives of “Sampark” / Alumni Association are:

- To provide a forum for the Members of the Alumni Association to interact amongst themselves as also with the Principals, Teachers, and the present students.
- To promote a friendly association between them
- To disseminate knowledge and skills for the mutual benefit of the Members as also for the benefit of the group colleges
- To undertake -Intellectual activities, Academic activities, social service, etc. for the benefit of the Members as also of the College and for the society at large
- To create a website of the Association and upload the same on to the Internet so that relevant information pertaining to the affairs of the Association, can be made available for the benefit of all the Members
- To conduct academic meets such as conferences / workshops / seminars / symposia / lectures by eminent personalities from various walks of life etc. for the Members as also

for the present students and/or teachers of the College on various current subjects/topics of interest and relevance.

- To publish e-bulletins highlighting the activities and achievements of the Association
- To organize “Annual Alumni Day”

Report on

ANNUAL ALUMNI MEET 2023

Accredited by National Board of Accreditation CSE,ECE & ISE
Approved by AICTE New Delhi | Affiliated to VTU, Belagavi,
Virgo Nagar, Bengaluru-560049

The Annual Alumni Meet 2023 at East Point College of Engineering and Technology was a resounding success, bringing together alumni from various branches and different graduating batches. After the challenges posed by the Covid-19 pandemic, the gathering held significant sentimental value for both the institute and its former students.

Dr. Yogesh G S, principal, EPCET, initiated the event by extending a warm welcome to all the alumni. His opening remarks set the tone for an engaging and nostalgic reunion.

Dr. Prakash S, Senior Vice President, EPGI, invited the alumni to share their experiences. Graduates, now employed across diverse multinational corporations in high-ranking positions, expressed their gratitude towards the college for providing them with a strong educational foundation, exceptional placement opportunities, and unwavering support during their academic journey. The joy of reuniting with former teachers and classmates was evident in their heartfelt interactions.

In a gracious gesture, Dr. Prakash S congratulated the alumni on their professional achievements and thanked them sincerely for gracing the event with their presence, acknowledging their success stories as a testament to the college's commitment to excellence. Mr, Dhananjay, Placement – Director, urged the alumni to extend their assistance towards the college's welfare by contributing to placements and facilitating the organization of technical events, among other forms of support.

Dr. Harish, Professor, Civil Department, delivered a heartfelt vote of thanks, expressing gratitude to everyone who contributed to the success of the gathering. A specially curated video featuring cherished moments from the alumni's time at the college added to the emotional resonance of the event, evoking nostalgia among the attendees.

The event culminated with a delightful lunch, providing a relaxed atmosphere for further

interactions and networking. Alumni also took the opportunity to revisit their respective departments, engaging in lively conversations with their former teachers, reminiscing about their academic journey, and sharing insights from their professional experiences.

Overall, the Annual Alumni Meet 2023 was a memorable and enriching event, fostering connections and reaffirming the strong bond between the institute and its alumni. It served as a testament to the college's enduring impact on the lives and careers of its graduates, showcasing the spirit of unity, gratitude, and continued support within the East Point College of Engineering and Technology community.

Report On Alumni Meet – 2024

The Alumni meet 2024 was successfully organized by East Point College of Engineering & Technology on 10th February, 2024 at S.M Jayaram Memorial Hall with participation of a huge number of Alumni students of different batches and branches.

The program started at 10.30 AM with registration of students followed by tea. Then the actual program started at 11.30 with an invocation song followed by the Lamp Lightening ceremony. The dignitaries were welcomed by Barnali Ghosh, faculty, Civil Engineering and the presidential address was delivered by Dr. Mrutyunjay V Latte, Principal, EPCET. He explained the importance of Alumni meet and congratulated the students for their achievements. After that Dr Nagaraj Sitaram, HOD, Department of Civil Engineering, EPCET addressed the gathering. Later Principal invited the alumni students on the dais and asked them to share their experience. Students responded to his call overwhelmingly and around 10 students came on the dais and spoke about their experiences.

All the students spoke very highly about the college, faculty and Management. They spoke about the Samskruthi, college cultural fest and outcome of it which helped them to come out of their comfort zone.

The student interaction session was thoroughly enjoyed by each and every one. After that Mr Dhananjay, Placement Director addressed the gathering and presented the placement details of previous years. Program ended with the vote of thanks and after that lunch was provided for all.
