Role of the leadership in achieving the Vision and Mission of the Institute:

1. **The policy statements and action plans:** Periodic Governing Council meetings held for ensuring that the policy statements and action plans are aligned for attaining the mission of institute, disseminates the vision and mission to stake holders. The Principal makes action plans in consultation with faculty members.
2. **Formulation of action plans:** The action plans are formulated in line with quality policy under the leadership of the Principal and the same are aligned with the strategic plans.
3. **Interaction with stakeholders:** The Principal ensure that all stakeholders are involved in the interactive sessions. Viz., Parents, teachers, students, industry representatives and Alumni.
4. **Going beyond the curriculum:** Even though we are constrained by the curriculum set forth by Visvesvaraya Technological University (VTU), we go beyond that by integrating industry oriented learning courses, by investing in state-of-the-art Research Centers and Labs, by establishing an Institutional Entrepreneurship Development Cell (IEDC), by investing in ICT enabled teaching-learning infrastructure facilities.
5. **IQAC Cell:** All the teaching-learning processes are closely monitored by the IQAC cell to ensure that there are no lapses in the implementation of the laid-out policies.
6. To ensure an environment for the **all-round development** of the students, the management has invested a lot in sports facilities, secure and comfortable hostels as well as hygienic dining facilities.
