C -7.1.1 Institution has initiated the Gender Audit and measures for the promotion of gender equity during the last five years.

At East Point College of Engineering and Technology, gender equity and sensitization are prioritized in both curricular and co-curricular activities. The institution is committed to creating an inclusive environment that promotes gender equality and supports the overall well-being of women on campus. This dedication is reflected in various initiatives, programs, and facilities designed to ensure a safe, supportive, and empowering environment for all students, especially women.

Gender Equity and Sensitization in Curricular Activities

- 1. Curriculum Integration:** Courses like "Human Values and Professional Ethics" address gender, society, and human rights, educating students on gender sensitivity, equality, and diversity.
- 2. Workshops and Seminars:** Regular expert-led workshops and seminars raise awareness and educate students on gender issues.
- 3. Guest Lectures:** Guest speakers, including successful women professionals and activists are invited to share their experiences and insights.

Gender Equity and Sensitization in Co-curricular Activities

- 1. Awareness Campaigns:** Poster exhibitions, debates, and essay competitions engage students in gender equality discussions. Focused on women's empowerment, East Point College organize workshops, health programs, and leadership training.
- 2. Mentorship Programs:** Senior students and faculty mentor female students, providing guidance, career development, and confidence-building support.

Facilities for Women on Campus

- 1. Women's Cell:** This dedicated cell addresses women's safety and well-being, providing counselling services, organizing awareness programs, and ensuring a secure environment for female students and staff.

2. **Safety Measures:** The campus features CCTV surveillance, security personnel, and well-lit areas to enhance safety. A robust grievance redressal mechanism handles harassment or discrimination complaints.

3. **Separate Hostels:** Separate hostel facilities for male and female students ensure a secure and comfortable living environment, with women's hostels managed by dedicated wardens and equipped with necessary amenities.

4. **Healthcare Facilities:** Female students and staff have access to healthcare services, including regular check-ups and wellness programs. The campus has a medical hospital with qualified professionals to address health concerns promptly.

5. **Recreational Facilities:** The campus offers recreational facilities such as sports, yoga centres, and cultural activity spaces, promoting physical activity and a balanced lifestyle for female students.

ACTION PLAN
