Report on

ANNUAL ALUMNI MEET 2023

26th January 2023

The Annual Alumni Meet 2023 at East Point College of Engineering and Technology was a resounding success, bringing together alumni from various branches and different graduating batches. After the challenges posed by the Covid-19 pandemic, the gathering held significant sentimental value for both the institute and its former students.

Dr. Yogesh G S, principal, EPCET, initiated the event by extending a warm welcome to all the alumni. His opening remarks set the tone for an engaging and nostalgic reunion.

Dr. Prakash S, Senior Vice President, EPGI, invited the alumni to share their experiences. Graduates, now employed across diverse multinational corporations in high-ranking positions, expressed their gratitude towards the college for providing them with a strong educational foundation, exceptional placement opportunities, and unwavering support during their academic journey. The joy of reuniting with former teachers and classmates was evident in their heartfelt interactions.

In a gracious gesture, Dr. Prakash S congratulated the alumni on their professional achievements and thanked them sincerely for gracing the event with their presence, acknowledging their success stories as a testament to the college's commitment to excellence. Mr, Dhananjay, Placement – Director, urged the alumni to extend their assistance towards the college's welfare by contributing to placements and facilitating the organization of technical events, among other forms of support.

Dr. Harish, Professor, Civil Department, delivered a heartfelt vote of thanks, expressing gratitude to everyone who contributed to the success of the gathering. A specially curated video featuring cherished moments from the alumni's time at the college added to the emotional resonance of the event, evoking nostalgia among the attendees.

The event culminated with a delightful lunch, providing a relaxed atmosphere for further interactions and networking. Alumni also took the opportunity to revisit their respective departments, engaging in lively conversations with their former teachers, reminiscing about their academic journey, and sharing insights from their professional experiences.

Overall, the Annual Alumni Meet 2023 was a memorable and enriching event, fostering connections and reaffirming the strong bond between the institute and its alumni. It served as a testament to the college's enduring impact on the lives and careers of its graduates, showcasing the spirit of unity, gratitude, and continued support within the East Point College of Engineering and Technology community.
