

Report On Alumni Meet – 2023

The Alumni meet 2023 was successfully organized by East Point College of Engineering & Technology on 26th January, 2023 at Jayaram Memorial hall with participation of a huge number of Alumni students of different batches and branches.

The program started at 9.30 AM with registration of students followed by tea. Then the actual program started at 10.30 with a patriotic dance and invocation song followed by the Lamp Lightening ceremony. The dignitaries were welcomed by Prof. Barnali Ghosh, Civil Engineering and the presidential address was delivered by Dr. Prakash S, Sr. Vice President EPGI. He explained how Sales force, AWS and RPA courses in the institution are helping the students in their professional life and congratulated the students for their achievements . After that Dr Yogesh G S, Principal EPCET addressed the gathering. He invited the alumni students on the dais and asked them to express themselves. Students responded to his call overwhelmingly and around 20 students came on the dais and spoke about their experiences.

All the students spoke very highly about the college, faculty and Management. A student Sai Vikas, 2022 ISE Branch, who is a SAP Commerce Developer now told that he learnt RPA from college and that helped immensely in his professional life. He thanked Prakash Sir and other faculties for introducing the new technologies to him. Another student Chaithra who is a sales force Developer now told that she is thankful to college for the IILP courses and because of that she can stand out now. Other students like Akhilash from ISE , Harish CSE 2020 batch, Aneeshi 2019 batch ECE, Kaushik Mechanical 2020 batch came on the dais and spoke how college helped them grow as confident individuals. They spoke how Samskruthi, the college cultural fest, helped them to come out of their comfort zone. Darshan from EEE, Rohit from Mech, 2020 batch are among the students

who missed their graduation day due to COVID and expressed the desire to have a graduation day now and Prakash sir and Yogesh sir agreed for the same.

The student interaction session was thoroughly enjoyed by each and every one. After that Mr Dhananjay, Placement Director addressed the gathering and presented the placement details of previous years. Video was played for different branches and the students enjoyed it. Program ended with the vote of thanks and after that lunch was provided for all.
