

Academic Year -2022-23 Annual Alumni Meet

Objectives

- Connecting graduates with each other to build a Professional network
- Facilitating the exchange of experiences, insights and expertise.
- Offering guidance and support to the recent students.
- Strengthening bonds among former classmates and faculty.
- Commemorating achievement and milestones with institution and its alumina.

Highlights

- The Chief Guest of the function was Hon. Mr. Peter Francis, Secretary, M G Charitable Trust, along with Dr.Prakash S, Sr.Vice President, EPGI, and Dr. Yogesh G S , Principal, EPCET.
- In Inaugural ,chief guest Mr. Peter Francis ,praised the achievements of Alumni of EPCET in all walks/spheres of life. He highlighted some of the recent developments in Engineering & Technology and guided students & Alumni regarding startup and successful entrepreneur.
- The occasion was witnessed offline by more than 63 Alumni of ISE.
- The past alumni from the old batches drive the discussion about the quality education & current scenario of industry & appealed the juniors to study hard, make the use of all facilities provided by college & achieve the best future.
- In post-lunch session, an interaction was organized for final year students with the executive alumni. The Alumni shared their ventures & experiences of engineering profession and current scenario of industry. Final year students discussed issues related to placements, recent technologies for their research and project, industrial requirements, government jobs, interview skills & higher studies. The interaction between alumni and students boosted the confidence of our students.

How do you map this with Academic gaps

- To develop Leadership quality.
- Successful Entrepreneur.
