1) UiPath Academic Challenge 2019

EPCET is one among the few colleges that took the initiation to upskill students on automation to fully harness the available growth opportunities in the country. Students from 1st year and 2nd year participated where the total participants were 300+. Many students successfully completed the program and received certificates from UiPath. East Point College of engineering and Technology was recognized for completing all the requirements of UiPath Academic RPA Champ 2019

2) RPA Explorer Day

East Point College of Engineering & Technology conducted RPA Explorer Day on 27th Jan 2020 in association with UiPath Academic Alliance, Bangalore. Students from varied departments in total 456 participated in this event. The main aim of the workshop was to make educators adopt RPA and build their own bots at the end of day. Mr. Rajesh Nambiar, Director UiPath Academic Alliance, Bangalore, inaugurated the workshop and briefed about UiPath RPA. Mr. Basavdarshan, Mr. Niyaz Ahmed, Ms Anisha, Mr. Vibhor, Mr. Sudheer, Mr. Raghavendra, Mr. Rishi trained the educators. More than 100 educators participated in the workshop. At the end of the day educators were able to build multiple bots using UiPath RPA tool.

3) Uipath Academic Alliance Educator Readiness Program @ Uipath ,Bangalore

Prof.Shilpa Patil & Prof.Bindiya AJ from East Point College of Engineering & Technology attended a 5 days Uipath Academic Alliance Educator Readiness Program @ Uipath ,Bangalore in the month of January 2020

4)Virtual Webinar on HYPERAUTOMATION – INDIA’S NEW SKILLING OPPORTUNITY

Audience: Engineering Students , Faculties from different Engineering and Degree Colleges, Parents , PU2 students

Number of Participants: 150+

East Point College of Engineering and Technology (EPCET) conducted a webinar on May 12th 2020, in which Mr Rajesh Rajagopalan, Director of Industry Enablement at UIPath, in collaboration with Dr. Prakash S, Principal of EPCET, discussed Hyperautomation and the employment opportunity it presents to India’s youth.

5) Online Session on "EDUCATING NEXT GENERATION WORK FORCE@EPCET"

Audience : Engineering Students , Faculties from different Engineering and Degree Colleges, Parents , PU2 students

East Point College of Engineering and Technology (EPCET) conducted a live Session on 30th April 2020 between 06:00 PM to 07:00 PM for Engineering Aspirants and Parents to make them understand what is: Engineering Education for 21st Century, Emerging Skill Set for new workforce – where UiPath RPA course and job Opportunities were discussed. Total number of students participated were 200 in this event.

6) UiPath RPA Experience lab inauguration at East Point

UiPath RPA Experience lab inauguration at East Point Engineering College by Mr.Rajesh Nambiar Director UiPath Academic Alliance, Bangalore

7) Guvi Skillathon

East Point participated in the RPA GUVI Skillathon (in association with UiPath Academic Alliance) held from 29th May to 4th June 2020 and was recognized among top 10 performing Institutions. More than 300+ institutions participated in the Skillathon throughout India .1500+ students and faculties participated and received the certificate

East Point College of Engineering & Technology was honoured at RPA SKILL-A-THON 2020 Recognition Ceremony on 3rd June 2020.

Prof. Shilpa Patil was recognized for Enthusiastic efforts put into upskill learners during Guvi Skillathon

8) UiPath RPA as a value added Course

East Point has made UiPath RPA as one of the value added course for 2nd year, 3rd year and final year students of various engineering branch students . Specific Time slots are allocated for RPA class in regular class timetable

More than 200 Students from various branches have undergone UiPath RPA developer certification training by Prof. Shilpa Patil(Authorized RPA trainer from UiPath) at EPCET and students have earned completion certificate from UiPath.

9) FDP on RPA

PRAJNAN 2020 – Online Two days International FDP on Introduction to virtualization using VMware and Robotic Process Automation using UiPath -Organised by St.Claret College, Bangalore on 5th and 6th June 2020

Resource Person for RPA was: Prof. Shilpa Patil From East Point College of Engineering & Technology

Audience : Students , Faculties from various colleges

The poster is for the PRAJNAN 2020 event, organized by St. Claret College, Bengaluru. It features the college's logo and the Computer Society of India (CSI) logo. The text reads: 'St. Claret College, Bengaluru' (NAAC Accredited, UGC Act, 1956, permanently affiliated to Bangalore University, A Claretian Missionary Institution), 'IQAC and Department of Sciences in association with Computer Society of India (CSI) PRESENTS PRAJNAN 2020', 'Two days Online International FDP OR Introduction to virtualization Using VMware and Robotic Process Automation Using UiPath', 'Date: 5 & 6 Jun 2020 Time: 4:00PM - 5:30PM'. Under 'RESOURCE PERSONS', it lists 'Dr. Prakash Sheelvanthmath' (Principal, East Point College of Engineering and Technology, Bangalore, past chairman CSI Bangalore chapter) and 'Prof. Shilpa Patil' (Assistant professor, CSE Dept/UiPath RPA Trainer East point college of engineering and technology, Bangalore). It includes registration details: '1. Registration is free of cost. 2. Each Participant will receive e-Certificate after successfully submitting the feedback form.' and a QR code with the text 'Scan & Register' and 'REGISTER HERE' with the URL 'https://forms.gle/8QIM1WLSLZEX809'.
