Event Title	"FDP on Recent Trends in AI and ML in Communication & Signal Processing Applications "		
Date	11th July 2023		Time	08:30 AM
Venue	: ECE SEMINAR HALL		
Duration	_5days	From: 11TH July 2023	To: 16th July 2023
Program Objective	To educate the faculty in recent advancements in communication and signal processing		

Faculty development program was organized by the department of ECE for enhancing faculty knowledge in research trends in AI & Ml. The FDP on Artificial intelligence (AI) & Machine Learning (ML) for communication and signal processing applications focuses on providing an introduction on the impacts of AI/ML in the fields of communication signal prtocessing.AI/ML techniques are widely used for many application such as wireless communication, Biomedical image processing, VLSI design and so on. This course will help to upgrade the expertise and capabilities of faculty members of various engineering institutions in India.

1. Names of the Resource Persons / Chief Guests / Guests of Honors / Other's Mention	Mr Rakshit
2. Designation/s	Vice president
3. Company's Name / Associations	CoreEL Technologies
