	Profile*
	Greetings! I'm Prof. Dhivya Kalaiselvan, thrilled to be the latest addition to the vibrant academic community at EPCET, Bangalore. Armed with a Master's degree in Computer Science and Engineering from MPNMJ Chennimalai and a Bachelor's degree from Karpagam Institute of Technology, I'm excited to kickstart my journey as an Assistant Professor in the Department of Computer Science and Engineering. My professional journey takes a fascinating turn into academia, where I'll be delving into my passion for cutting-edge technologies. Specializing in areas such as Internet of Things (IoT) and Cyber Security, including Blockchain Technology, I'm eager to bring my insights and love for staying on top of tech trends to the students and colleagues at EPCET. Looking forward to a fulfilling chapter of growth and collaboration in this exciting new role!
