

EVENT REPORT – GREEN CAMPUS INITIATIVES AND SOLID WASTE MANAGEMENT

Institution	EAST POINT COLLEGE OF ENGINEERING AND TECHNOLOGY				
Department	Civil Engineering				
Event Type / Theme	Solid waste management				
Event Title	GREEN CAMPUS INITIATIVES AND SOLID WASTE MANAGEMENT				
Date	08.09.2023	08.09.2023	Time:	10:30AM	
Venue	Infront of Mechanical Seminar Hall, East point College of Engineering and Technology, Bangalore				
Duration	<u>1</u> day	From:	08.09.2023	To:	08.09.2023
Program Objective	<p>1. To create a cleaner and better environment, improve hygiene, and reduce usage of landfills.</p> <p>2. Waste segregation and management help in the retrieval and recycling of paper, which would have been sent to landfills and proportionately contributes in the reduction of global warming.</p>				
<p>A Green Campus is a place where environmental-friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the man-kind. ITC's WOW initiative, aligned with the Government's Swachh Bharat Abhiyan, spreads awareness about waste segregation and management through innovative methods</p> <p>A technical seminar was conducted at East Point College of Engineering and Technology on 8th September 2023 to create awareness in students regarding effective disposal of waste. The speaker Ms Kruparani, Manager Anubhuthi Welfare Foundation addressed the importance of waste management and consequences on environment and health</p>
