Event Title	SOLID WASTE MANAGEMENT				
Date	14.12.2022	14.12.2022	Time:	11:00AM	
Venue	S M Jayaram Memorial Hall East point College of Engineering and Technology, Bangalore				
Duration	1 day	From:	14.12.2022	To:	14.12.2022
Program Objective	1. Bringing about clearer understanding of waste segregation. 2. Create awareness among the students and the staff on the importance of proper waste disposal in the campus and outside the campus 3. Create consciousness about the environment with major focus on waste and its impact on the environment and eventually us. 4. Feed a thought with intentions to bring about actions around it such as segregation of waste.				
<p>A Green Campus is a place where environmental-friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the man-kind. ITC's WOW initiative, aligned with the Government's Swachh Bharat Abhiyan, spreads awareness about waste segregation and management through innovative methods</p> <p>A technical seminar was conducted at East Point College of Engineering and Technology on 14th December 2022 to create awareness in students regarding effective disposal of waste. The speaker Ms Kruparani, Manager Anubhuthi Welfare Foundation addressed the importance of waste management and consequences on environment and health.</p>
