Event Title	World Environment Day 2023 Plant a tree Campaign			
Date	05/06/2023	05/06/2023	Time	10.30AM
Venue	Infront of Mechanical block			
Duration	1 day	From:	10.30AM	To: 12.30PM
Program Objective	To promote the conservation of natural ecosystems and biodiversity by planting trees, which provide habitat for wildlife and contribute to a healthier environment			
<p>Inauguration Ceremony: The event began with an inauguration ceremony, which was graced by Principal, HOD's and faculty members. The Principal delivered a keynote address emphasizing the importance of environmental conservation and the role of educational institutions in promoting sustainable practices. A tree plantation drive was organized as a part of Environment Day. Principal, faculty and Students actively participated in planting saplings on the college campus. This activity aimed to contribute to the greening of the environment and promote the importance of trees in mitigating climate change. A special rally was also flagged off on the day with the aim of spreading awareness among the masses about the need to make earth green and beautiful. Students has prepared the posters and participated in rally with enthusiasm</p>				
1. Names of the Resource Persons / Chief Guests/ Guests of Honors / Other's Mention	Dr. Geena George , faculty coordinator			
2. Designation/s	Associate Professor, Department of Civil Engineering			
3. Company's Name / Associations	East Point College of Engineering and Technology			
Total Number of Participants	55			
Total number of Participants in <i>Google</i> Meet	NA			
Total number of feedbacks received through Google forms from both Google meet and YouTube	NA			
Total Number of Views (First Day) in YouTube	NA
