## About the College

East Point College of Engineering and Technology (EPCET), Bengaluru has emerged as a premier institution, established in 1999 by the M. G. Charitable Trust. The institute is affiliated to Visvesvaraya Technological University, Belagavi, & approved by the All India Council for Technical Education (AICTE), New Delhi. EPCET has a lush green campus with high level of automation for a process-driven organization. Prioritizing industry collaborations with companies like Salesforce, UiPath, VMware, AWS, CISCO etc. EPCET offers cutting-edge programs in AI & Data Science, CSE (IOT-Cyber Security with Block chain Technology), CSE (AI & ML), CSE, ISE, ECE, Mechanical Engineering and Civil Engineering, leading to VTU-

accredited BE degrees. EPCET provides M. Tech & Ph.D programs, fostering a vibrant academic community. The CSE, ISE & ECE programs are NBA-accredited from 2023-2026. The complete OBE process is fully automated through LMS, ensuring good practices in teaching-learning and reflecting in successful student's placements at product companies with higher packages.

The institution comes under "Self-finance, Private Engineering College" category. The institution has different bodies to maintain all the necessary discipline in the campus. All the committees of the college are under statutory bodies and come under section 4(1) (b) of RTI Act, 2005. The applications submitted under the RTI act will be properly responded on time. All information about the college under section 4(1) (b) of RTI act, 2005 is open to the public and it can be obtained by any citizen of India.

### **Vision:**
