Date	19.08.2024	20.08.2024	Time	8:45 AM	
Venue	East Point College of Medical Science and Research Center				
Duration	<u>2 Days</u>	From:	8.45 AM	To:	04.00PM
Program Objective	It aims at leveraging their learning skills. Helps them for a better understanding of their future prospects and goals. To bridge the gap between subjects studied and to be learned. They will be able to develop their inter personal skills. Students will understand various activities conducted by the department for them.				
The two-day orientation program held on 19th and 20th August 2024 for the Electronics and Communication Engineering (ECE) Department had several positive outcomes. The two-day orientation program was a comprehensive introduction to the various resources, programs, and opportunities available to students in the ECE Department. The sessions were well-received, with students expressing enthusiasm for the hands-on learning experiences and industry-related certifications. The program successfully laid the groundwork for students to excel in their academic and professional endeavours.					
1. Names of the Resource Persons / Chief Guests / Guests of Honors / Other's Mention	Dr. Yogesh G S				
2. Designation/s	Vice Principal and HoD, ECE				
3. Company's Name / Associations	East Point College of Engineering and Technology				
Total Number of Participants	126				
Total number of Participants in <i>Google</i> Meet					
Total number of feedbacks received through Google forms from both Google meet and YouTube					
Total Number of Views (First Day) in YouTube	NA
