<b>Venue</b>	<b>East Point College of Medical Science and Research Center</b>				
<b>Duration</b>	<u>1 Hr</u>	<b>From:</b>	3:00 PM	<b>To:</b>	04.00PM
<b>Program Objective</b>	<p>Janmashtami is not just the celebration of Krishna's birth and a chance to reflect on the important lessons that his life has taught us. From honesty and compassion to wisdom and courage, Krishna's life is a source of moral and ethical guidelines for both students and people from all age group Inspire them to live a life of compassion and humility. Improve and enhance artistic skill in the student. Inculcate team work, leadership and communication skill in them</p> <p>We see God in everything and there is no other festival other than Janmashtami which gives plenty of opportunities to involve children in the celebrations. Although it is a joyous Hindu festival, but India being a diverse country where we believe in celebrating all festivals with equal harmony, our student coordinator IEEE student chapter of East point College of Engineering and Technology came together to celebrate this day with their friends and teachers. We were thrilled to see the enthusiasm and participation of our students. Celebrating any festival is incomplete till we know the beautiful reasons behind it. We decided to have three competitions, they are Drawing, Elocution and Rangoli. We received a huge response of participation for all above events. All the events have theme of lord Krishna life and preaching.</p>
