Faculty	**Ms. Vishnu Priya G M** **Assistant Professor – Computer Science & Engineering** **East Point College of Engineering & Technology**
	Ms. VISHNU PRIYA G M is a dedicated Assistant Professor with an M.Tech in Computer Networking from UVCE, Bangalore and a B.E. in Computer Science and Engineering from CBIT, Kolar. She combines a deep technical understanding with a commitment to cultivating student engagement and academic excellence. Known for her passion for innovation and hands-on learning, Ms. Vishnu Priya integrates real-world applications into her teaching to inspire students. Her approachable and collaborative nature allows her to mentor students effectively, helping them explore emerging technologies. With her academic expertise and enthusiasm for education, she is set to make valuable contributions to the academic community.

Publications
Conferences
● "RAFTTS: Resource-Aware Fault Tolerant Task Scheduling Approach for Dynamic Fog Computing using Learning Automata" Sixth International Conference on Applied Soft Computing and Communication Networks & Fifth International Conference on Computing and Network Communications 18-20 December 2023.
Achievements / Awards / Recognitions
● Qualified KEA PGCET-2021 and completed M.Tech in Computer Networks from the CSE department at UVCE, Bangalore ● Completed Certification course on Introduction to Cloud Computing" from NPTEL-2022. ● Completed Certification course on "Introduction to Deep Learning" from Great Learning Platform. ● Completed Certification course on "Data Mining" from Great Learning Platform.
