# Event Report Format

Institution	East Point College Of Engineering and Technology
Department	Computer Science and Engineering
Event Type / Theme **Please Tick (√) appropriate one**	Industry Visit
Event Title	**Industry Visit to "Microsoft Luxor, Bangalore" for "CODE YOUR DAY" Event**

Date	19th Oct 2024			Time	11:00AM to 1:00PM
Venue	CSE Seminar Hall				
Duration	1 day	From:	19/10/2024	To:	19/10/2024
Program Objective	To make students to gain a complete overview of the Full Stack Development				

Students experienced a highly engaging day, interacting with Microsoft experts and exploring cutting-edge technologies like artificial intelligence and Microsoft Copilot—an AI-powered productivity tool revolutionizing workflows. These sessions provided unique insights into AI's impact across various sectors, inspiring students to consider career paths in technology and the promising future of AI. Among the attendees, 47 students from the CSE department had the support of Prof. Nithyananda C R, who encouraged active participation and fostered a deeper understanding of AI's role in the modern workplace. The visit underscored the importance of upskilling in AI to prepare for evolving job market demands.
