

EVENT REPORT

Innovation and Start-up Ecosystem Enablers

Institution	EAST POINT COLLEGE OF ENGINEERING AND TECHNOLOGY				
Department	MECHANICAL ENGINEERING				
Event Type / Theme	Technical Talk				
Event Title	Innovation and Start-up Ecosystem Enablers				
Date	02-08-2024				
Venue	ME Seminar Hall				
Duration	3 Hrs	From:	10:30 AM	To:	1:30 PM
Program Description	<p>A Talk on Innovation and start-up ecosystem presented by Mr. Govin George from LEO-GEO Conductions presented in welled manner, how start the company and what are all the challenges to take care and how to manage Students experience attitudinal change and transformation and build a confidence. The innovation and start-up ecosystem thrives on a foundation of enablers like funding, mentorship, and infrastructure. Incubators and accelerators provide resources and guidance to transform ideas into viable businesses. Access to venture capital and government grants fuels growth and scalability. Digital platforms facilitate networking and collaboration among entrepreneurs, investors, and industry experts. Policies fostering innovation, such as tax incentives and regulatory support, create a conducive environment. This ecosystem accelerates technological advancement, job creation, and economic development.</p>				
1. Names of the Coordinator/s	Prof. HMM Swamy				
2. Designation/s	Asst. Professor				
3. Beneficiary	All Mechanical Engineering students				
Total Number of Participants	45				
Total number of Beneficiary	45
