

<p>Faculty</p> 	<p> Mrs Vanishree VM Assistant Professor Head of English East Point College of Engineering & Technology. </p>
	<p> Mrs Vanishree is a highly accomplished professional with over 15 years of international teaching experience and a strong academic background in Applied Linguistics and English Language Teaching. Holding a postgraduate degree from St Mary's University, London, where she earned the International Student Scholarship and Merit for Research Excellence, as well as an MA in English from Bangalore University, she brings exceptional expertise to the classroom. Her ability to prepare students for international certifications such as Cambridge ESOL (KET, PET, FCE, IELTS) and WIDA, combined with an innovative approach incorporating technology and active teaching, distinguishes her as an educator dedicated to fostering student success in diverse learning environments. </p> <p> Throughout her career, she has excelled in leadership roles, including as Head of EAL and Senior Trainer. She has streamlined EAL programs, aligned curricula with CEFR standards, and mentored students in personal projects and research initiatives. </p> <p> With extensive international experience, she has trained educators, delivered corporate workshops, and developed customized learning resources tailored to various student needs. Known for her culturally sensitive and collaborative approach, she works closely with faculty and management to enhance learning experiences and advance institutional goals. </p>
