<p>The Social Connect Responsibility initiative at our college aims to foster a sense of community and environmental stewardship among students. This report highlights our recent visit to the ISHA Foundation, a non-profit organization dedicated to social and environmental causes.</p> <p>Visit to ISHA Foundation: On December 21, 2024, department of Computer Science and Engineering organized a visit to the ISHA Foundation located in Chikkaballapur district, Karnataka. The foundation is renowned for its various initiatives, including environmental conservation, animal welfare, and community development.</p> <p>Key Activities:</p> <ol style="list-style-type: none"> 1. Environmental Conservation: We learned about waste management practices. 2. Animal Welfare: We visited the animal rescue and rehabilitation center, witnessing the compassionate care provided to injured and abandoned animals. 3. Community Development: We engaged with the foundation's community development ideas, which focus on education, skill development, and healthcare initiatives for the underprivileged. <p>Impact and Learnings: The visit to the ISHA Foundation was an eye-opening experience, emphasizing the importance of sustainable living and community engagement. We gained valuable insights into how small actions can make a significant impact on society and the environment.</p> <p>Conclusion: The Social Connect Responsibility initiative has successfully instilled a sense of responsibility and empathy among students. Our visit to the ISHA Foundation reinforced the importance of contributing to the well-being of our community and environment.</p>
