

## Event Report

<b>Institution</b>	East Point College of Engineering and Technology				
<b>Department</b>	Computer Science & Engineering				
<b>Event Type / Theme</b> <b>Please Tick appropriate one</b> (✓)	<b>Team activity</b>				
<b>Event Title</b>	<b>Byte the Bug</b>				
<b>Date</b>	8.11.2024	Time	10.00 am to 4.00pm		
<b>Venue</b>	CSE Seminar Hall				
<b>Duration</b>	6 hrs	From:	10.00 AM	To:	4:00 PM
<b>Program Objective</b>	The primary goal of "Byte the Bug" was to challenge participants' debugging and problem-solving skills in a coding environment.				
<p>The event was conducted with much excitement and fanfare, attracting a total of 14 participating teams. Each team brought enthusiasm and determination, contributing to a spirited and competitive atmosphere. Under the guidance of <b>Prof. Arun Kumar S</b> from the Department of Computer Science and Engineering, the event was organized by following 5th-semester CSE students.</p> <p><b>Preparations and Planning</b></p> <p>The planning for "Byte the Bug" began several weeks prior to the event, focusing on creating a seamless and engaging experience for all participants. During this phase, the organizing team, guided by Prof. Arun Kumar S, worked on the following key areas:</p> <ol style="list-style-type: none"> <li>1. <b>Platform Setup</b>:-Codetantra was selected as the platform for the competition due to its interactive and user-friendly environment.</li> <li>2. <b>Promotion and Registration</b> encourage maximum participation, the event was promoted through various channels and classroom announcements.</li> <li>3. <b>Logistics and Coordination</b></li> <li>4. <b>Briefing Rehearsal and Prize distribution:</b></li> </ol> <p>The event successfully met its objective of providing a hands-on debugging experience, with participants gaining insights into real-world problem-solving. The use of Codetantra allowed for an interactive and efficient assessment environment, making "Byte the Bug" a successful and impactful event.</p>					
<b>1. Names of the Resource Persons / Chief Guests / Guests of Honors / Other's Mention</b>	All faculty member of CSE				
<b>2. Designation/s</b>	N/A				
<b>3. Company's Name / Associations</b>	NIL				
<b>Total Number of Participants</b>	14 teams				
<b>Total number of Participants in <i>Google</i> Meet</b>	NA				

<p><b>Total number of feedbacks received through Google forms from both Google meet and YouTube</b></p>	<p>14</p>
<p><b>Total Number of Views (First Day) in YouTube</b></p>	<p></p>
<p><b>Photos</b></p>	 <p>The photos show a computer lab environment. The top-left photo shows a classroom with students at computers and a presentation screen. The top-right photo shows a student presenting to a group. The bottom-left photo shows students working at computers. The bottom-right photo shows another view of students at computers. Each photo includes a GPS Map Camera overlay with location and time information.</p>
