

Assistant Professor	Prof. Priya Pathak Asst.Professor Dept. of CSE (Artificial Intelligence & Machine Learning)
	Profile* Priya Pathak is a distinguished assistant professor in the department of CSE(AI&ML) at EPCET, renowned for their expertise in AIML, Pursing PhD in Computer Science engineering under the specialization of Cloud Computing from Oriental University, Indore. Completed M.Tech in Computer Science Engineering with the specialization of Cloud Computing & completed project under the title “Design A Novel Technique Load Balancing Algorithms for Virtual Machines Placement in Cloud Computing” from Medi Caps University, Indore with CGPA 7.1. Completed Bachelor of Engineering from Malwa Institute of Technology, Indore affiliated to Rajiv Gandhi Technical University with CGPA 6.94 in the year 2017. Senior Secondary School Certificate from Board of Secondary Education, Madhya Pradesh, Bhopal in the year 2013.High School Certificate from Board of Secondary Education, Madhya Pradesh, Bhopal in the year 2011.
	Publications <ol style="list-style-type: none"> Priya Pathak and Amit Agrawal, “Design A Novel Technique Load Balancing Algorithms for Virtual Machines Placement in Cloud Computing”, UGC Care-listed ISSN: 0975-1386 Peer-reviewed Wesleyan Journal of Research, Vol. 13 No. 62. Priya Pathak and Amit Agrawal, “Load Balancing Algorithms for Virtual Machine Placement in Cloud Computing”, Design Engineering Publication, ISSN:0011-9342, Year 2021 Issue: 09 Pages: 4587-4596. Awards Received <ol style="list-style-type: none"> Anti-Plagiarism, Research Ethics and Reference Management in the year 2019. Participated in Drawing Competition and got prize in the year 2013.
