

## Event Report

<b>Institution</b>	East Point College of Engineering and Technology				
<b>Department</b>	Computer Science & Engineering				
<b>Event Type / Theme</b> Please Tick appropriate one (✓)	Student Training Program				
<b>Event Title</b>	“Computer Vision: From CNN Fundamentals to Edge Deployment”				
<b>Date</b>	08-03-2025	<b>Time</b>	9:00am		
<b>Venue</b>	CSE Seminar Hall				
<b>Duration</b>	One day	<b>From:</b>	9:00am	<b>To:</b>	11:30am
<b>Program Objective</b>	The objective of the event was to provide students with industry insights on computer vision, its applications, and practical implementation. It aimed to bridge the gap between academic learning and industry expectations by exposing students to real-world trends, career opportunities, and skill development. Additionally, the session sought to inspire students through the alumnus's journey, encouraging them to explore internships, capstone projects, and essential technical skills for better career prospects.				
<p>The Department of Computer Science and Engineering (CSE) at East Point College of Engineering and Technology (EPCET) organized student training program on “<b>Computer Vision: From CNN Fundamentals to Edge Deployment</b>”, by <b>CSE Alumnus Mr. Pramod Kumar S Sarvi, SE1 at Qualcomm</b>. Mr. Pramod Kumar S Sarvi provided valuable insights into computer vision, its real-world applications, and demonstrated a complete workflow to help students understand its implementation. He shared his journey from being a student to working at Qualcomm, offering motivation and guidance on career progression. Additionally, he discussed various opportunities such as internships and capstone projects, emphasizing their significance in gaining industry experience. He also highlighted current industry trends and the importance of acquiring relevant skills and working on projects to enhance employability.</p>					
<b>1. Names of the Resource Persons / Chief Guests / Guests of Honors / Other’s Mention</b>	Mr. Pramod Kumar S Sarvi				
<b>2. Designation/s</b>	Software Engineer 1				
<b>3. Company’s Name / Associations</b>	Qualcomm				
<b>Total Number of Participants</b>	60				
<b>Total number of Participants in <i>Google</i> Meet</b>	NA				

<p><b>Total number of feedbacks received through Google forms from both Google meet and YouTube</b></p>	<p>45</p>
<p><b>Total Number of Views (First Day) in YouTube</b></p>	<p>NA</p>
