

<b>Faculty</b>	<p><b>Mrs. SANGEETHA K R</b>  <b>Assistant Professor – Information Science &amp; Engineering</b>  <b>East Point College of Engineering &amp; Technology</b></p>
	<p>Mrs. Sangeetha K. R. is an academician with an M.E. in Computer Engineering from Anna University, Chennai. She specializes in Data Structures, Design and Analysis of Algorithms, C Programming, and Security. With over 5 years of teaching experience in Computer Science and Engineering, she is dedicated to academic excellence, research, and innovation. Her research interests include Cyber Security, Artificial Intelligence and IOT. She is currently pursuing Ph.D. in Computer Science and Engineering, aspiring to shape future-ready professionals in the field.</p> <p>She previously served as an Assistant Professor at SEA College of Engineering &amp; Technology, where she actively mentored students in programming, system administration, and software project development. Her teaching methodology focuses on strengthening students' coding proficiency, analytical thinking, and problem-solving skills, while encouraging them to explore innovative solutions in software engineering.</p> <p>Mrs. Sangeetha K R contributes significantly to curriculum development, student mentorship, and research activities. She has organized various technical workshops and hands-on training sessions, enabling students to gain practical exposure to modern computing techniques.</p>
