

### EVENT REPORT – One-Day Workshop on “Sustainability in Waste Management”

Institution	EAST POINT COLLEGE OF ENGINEERING AND TECHNOLOGY				
Department	Civil Engineering				
Event Type / Theme	WORKSHOP				
Event Title	One-Day Workshop on “Sustainability in Waste Management”				
Date	19/11/2025	19/11/2025	Time:	11:00 AM	
Venue	Kaiwara, Kolar				
Duration	2Hrs	From:	19/11/2025	To:	19/11/2025
Program Objective	<ul style="list-style-type: none"><li>To provide civil engineering students with a comprehensive understanding of sustainable waste management practices.</li><li>To introduce modern technologies for waste collection, segregation, treatment, and disposal.</li><li>To highlight the role of civil engineers in designing waste management systems and sustainable infrastructure.</li><li>To promote the concept of <b>Reduce–Reuse–Recycle (3Rs)</b> and circular economy principles.</li></ul>				
<p>The <b>Department of Civil Engineering</b> organized a one-day workshop on “<b>Sustainability in Waste Management</b>” to educate students and faculty on modern, eco-friendly waste handling methods that support sustainable construction and environmental conservation. With rapid urbanization and increasing solid-waste generation, engineers play a crucial role in planning, designing, and implementing effective waste management systems.</p> <p>The workshop aimed to bridge the gap between academic knowledge and real-world waste management practices essential for civil engineers.</p>					
1. Names of the Resource Person		Ms Anuvarta			
2. Designation/s		Senior Project Co Ordinator			
3. Company’s Name / Associations		Anubhuti welfare Foundation (ITC WOW)			
Total Number of Participants		55			
Total number of Participants in <i>Google Meet</i>					
Total number of feedbacks received through Google forms from both Google meet and YouTube		NA			
Total Number of Views (First Day) in YouTube		NA
