

Event Report

Institution	East Point College of Engineering and Technology				
Department	Computer Science & Engineering				
Event Type / Theme	Entrepreneurship & Startup Ecosystem Development				
Event Title	PW SoS StartupX – Monthly Founders’ Meet				
Date	23 rd January 2026	Time	10:00 AM		
Venue	PW Institute of Innovation (PW IOI), Bengaluru				
Duration	3 Hours	From:	10:00 AM	To:	1:00 PM
Program Objective	To provide early-stage startups and aspiring entrepreneurs with exposure to real-world startup ecosystems through networking, mentorship, panel discussions, and prototype showcases. The event aimed to facilitate collaboration, investment opportunities, and practical learning from experienced founders and ecosystem partners.				

The PW SoS StartupX – Monthly Founders’ Meet was an entrepreneurship-focused event organized in collaboration with **Startup Synerz** and **Physics Wallah (PW)** through the **PW School of Startups**. The event brought together startup founders, mentors, investors, and ecosystem partners on a common platform. The student startup team **AGROMIZE SERVICES PVT. LTD.**, from the Department of Computer Science & Engineering, East Point College of Engineering and Technology, comprising **CH S K Chaitanya**, **Seethaka Rakshitha**, and **N Rohit**, actively participated in the event. The team was allotted a stall to showcase their **indoor prototype developed under AGROMIZE SERVICES PVT. LTD.**, which facilitated meaningful interactions with mentors, investors, and fellow founders. These interactions provided valuable feedback and professional guidance relevant to the startup’s growth and future direction.

The event commenced with a **30-second Pitch Challenge**, where participants were required to pitch themselves, explain their startup idea, present progress achieved so far, and outline future plans within a strict time limit. **Ms. Seethaka Rakshitha**, representing **AGROMIZE SERVICES PVT. LTD.**, secured **2nd place in the Pitch Challenge**, demonstrating clarity of thought, confidence, and effective communication skills.

A major highlight of the event was the **panel discussion titled “Building Startups That Scale: Founder Mindset, Execution, Market & Capital”**. The session was moderated by **Dr. Ajay Reddy** and featured panelists **Gopal Sharma**, **Nidhi Vaadhhera**, and **Vaishvi Bansal**. The panelists shared practical insights into founder mindset, execution strategies, market validation, team building, funding challenges, and capital management. Their real-life experiences served as an eye-opener for early-stage startups.

The event concluded with an interactive networking session, where the **AGROMIZE SERVICES PVT. LTD.** team connected with like-minded founders and professionals from similar domains, exchanged contacts, and explored potential collaboration and mentorship opportunities.

Core Objectives for the PW SoS StartupX – Monthly Founders’ Meet

- **Encourage Entrepreneurial Mindset:** To inspire students and early-stage founders to pursue startup ideas with clarity and confidence.
- **Facilitate Networking Opportunities:** To connect startups with mentors, investors, and ecosystem partners for collaboration and growth.
- **Promote Practical Learning:** To provide real-world insights through panel discussions and founder experiences.
- **Support Innovation & Prototyping:** To offer startups a platform to showcase prototypes and receive constructive feedback.
- **Enable Ecosystem Engagement:** To bridge the gap between academia, startups, and industry professionals.

Conclusion:

The PW SoS StartupX – Monthly Founders’ Meet was a highly successful and enriching event. The Pitch Challenge, prototype showcase, and panel discussion provided students with hands-on exposure to the startup ecosystem. The achievement of **AGROMIZE SERVICES PVT. LTD.** securing **2nd place in the Pitch Challenge** brought recognition to the student startup team and the department. Overall, the event significantly contributed to entrepreneurial learning, professional networking, and startup readiness among participants.
