<p>National Pollution Control Day is observed every year on 2 December in India to raise awareness about the harmful effects of pollution and to strengthen actions that prevent industrial disasters. The day commemorates the victims of the Bhopal Gas Tragedy of 1984, one of the worlds deadliest industrial accidents.</p> <p><b>National Pollution Control Day 2025 Theme</b> National Pollution Control Day 2025 Theme is “Sustainable Living for a Greener Future,” which emphasises how small, everyday decisions made by individuals and communities can collectively improve India’ s environmental health. It highlights the need for responsible consumption, reduced waste, energy conservation, and eco-friendly habits to build a cleaner and more sustainable future for all.</p> <p><b>National Pollution Control Day 2025 Objectives</b> National Pollution Control Day 2025 is observed to raise awareness about pollution and prevent industrial disasters. It aims to educate citizens, promote environmental responsibility, and strengthen safety measures across industries.</p> <p>Batches were made and students were asked to give presentation on ‘Awareness on Pollution Control’</p>					
<b>1. Names of the Resource Persons / Chief Guests/ Guests of Honors / Other’s Mention</b>	Dr. Geena George				
<b>2. Designation/s</b>	HOD, Department of Civil Engineering				
<b>3. Company’s Name / Associations</b>	EPCET				
<b>Total Number of Participants</b>	20				
<b>Total number of Participants in <i>Google Meet</i></b>	NA				
<b>Total number of feedbacks received through Google forms from both Google meet and You Tube</b>	NA				

<p><b>Total Number of Views (First Day) in YouTube</b></p>	<p>NA</p>
<p><b>Photos</b></p>	  
<p><b>Video Recording Link / YouTube Link</b></p>	<p>NA</p>
