| <p>The Women's Day celebration was joyfully conducted at the AIML Lab for the faculty members of the Department of Computer Science and Engineering as part of a well-being activity. The event began on an energetic note with a series of fun-filled games designed to engage both men and women faculty members and to create a cheerful atmosphere. Activities such as <i>Roll the Dice and Place the Cup</i>, <i>Blow the Balloon and Place the Cup</i>, and the lively <i>Merry-Go-Round with Music and Snatch the Cup</i> brought excitement, laughter, and friendly competition among participants. 🎲🎈</p> <p>The games were thoughtfully organized to promote togetherness and to honor the spirit, strength, and achievements of women. Faculty members actively participated, encouraging one another and enjoying the moment, which made the celebration feel vibrant and memorable. The highlight of the event was the cake-cutting ceremony, where all faculty members gathered together. The male faculty members warmly congratulated the women faculty, expressing appreciation and respect, and everyone celebrated the occasion with smiles, applause, and a sense of unity. 🍰👏</p> <p>Overall, the Women's Day celebration turned into a lively and meaningful event that strengthened team bonding and created a positive and supportive environment within the department.</p> | | | | | |
