|                                    |  <p>The screenshot displays a Zoom meeting in progress. At the top, a list of participants is visible, including Parashothaman M, Anand R, J.Mary Stella, and Hema Kumar. The main screen shows a presentation from Galgotias University titled "OPENING QUESTIONS". The presentation lists three questions: 1. How do you think ChatGPT generates answers? 2. What's the difference between Google Search and ChatGPT? 3. How much data do you think an LLM is trained on? Below the questions, it says "Think, Discuss, and Share Your Ideas!". At the bottom of the Zoom window, a Google Maps location is shown for Hiranahalli, Karnataka, India, with coordinates Lat 13.050027° Long 77.714603° and the date Thursday, 09/07/2026 11:40 AM GMT +05:30.</p> |
