

Faculty	Mr. Yashwanth Prakash Assistant Professor – Computer Science & Engineering East Point College of Engineering & Technology
	Mr. Yashwanth Prakash received his Bachelor of Engineering (B.E.) degree in Electronics and Communication Engineering from Maharaja Institute Of Technology, Mysore Karnataka in 2023. I have completed my Master of Technology (M.Tech.) in Network and Internet Engineering from National Institute Of Engineering NIE, Mysore in 2026. His technical interests include Computer Networks, Network Security and Cybersecurity, Cloud Computing, Linux and Operating Systems, Artificial Intelligence, Machine Learning, and Computer Vision. His project work includes AWS cloud infrastructure, network monitoring and vulnerability assessment, and a real-time facial emotion detection system using deep learning. He is interested in combining practical demonstrations with clear, application-oriented teaching.
	Achievements / Awards / Recognitions • Research paper: “Real-Time Facial Emotion Detection System Using Deep Learning” — submitted to I4C-2026 and has been accepted to be published in IEEE eXplore. • Completed coursework in Ethical Hacking and Networking Tools. • Developed a real-time facial emotion detection project using deep learning, Python, and OpenCV. • Worked on AWS cloud infrastructure and network monitoring
