Faculty	**Ms. Moka Neelima** **Assistant Professor – Computer Science & Engineering** **East Point College of Engineering & Technology**
	Ms. Moka Neelima is an Integrated M.Tech graduate in Software Engineering at VIT-AP University (2021–2026), with a CGPA of 8.08/10. She completed her Intermediate education at Sri Gowtami Junior College (893/1000) and SSC at Sri Gowtami E.M. School (GPA: 9.3/10). Her technical interests include Python programming, Machine Learning, Natural Language Processing, Computer Vision, Deep Learning, Generative AI, Data Structures and Algorithms, and SQL. Her academic projects include a web-based virtual machine orchestration platform, a real-time sign language-to-speech converter, and a fake news detection system. She is interested in developing practical AI-powered applications and reliable software solutions.
	Achievements / Awards / Recognitions
	• Served as Student Coordinator for NASA Space Apps Challenge, Amaravati (Jan 2024–Present), supporting technical event activities involving 180+ participants. • Served as Student Coordinator at IIEC, VIT-AP University (Dec 2022–Present), helping organize MSME Idea Hackathon 3.0 and the APSCHE Regional Workshop. • Developed a real-time sign language-to-speech converter using computer vision and deep learning techniques. • Built a Python-based virtual machine orchestration platform using Paramiko and SSH, and a machine-learning-based fake news detection application.
